

Country programme Results overview

Data as of:
17 Apr 2026

Outcomes (aligned with interagency frameworks)

ARG_D_1.1

More women increase their access to opportunities for the generation of more stable income and sustainable livelihoods.

ARG_D_1.1.1

Cooperatives, companies and organizations of social and solidarity economy have increased capacity to incorporate gender in their operations and in the value chain, sustainable initiatives and circular economy

ARG_D_1.1.2

Young, rural, indigenous, Afro-descendant and vulnerable women have strengthened their capabilities for economic autonomy and access to decent work.

ARG_D_1.2

Economic and productive policies have a gender approach and promote more economic, decent work and care opportunities for women

ARG_D_1.2.1

Recommendations have been adopted on economic and productive policies to promote more opportunities and decent work for women

ARG_D_1.2.2

Strengthened capabilities of public authorities so that the gender approach is included in financing mechanisms, planning and execution of public budget.

ARG_D_1.2.3

Comprehensive care policies and systems which consider an intersectional approach and investments in care infrastructure have been promoted through the funding of services, technical assistance at the national and subnational level and support of regulatory framework discussion

ARG_D_2.1

Social norms, traditional gender stereotypes and unequal power relations which normalize and justify discrimination, racism and violence are deconstructed.

ARG_D_2.1.1

Strengthened multi-sector efforts to dismantle discrimination, racism and gender-based violence.

ARG_D_2.1.2

Women and girls in all their diversity have a greater capacity to participate and advocate for access to sports in safe, inclusive and equal environments.

ARG_D_2.2

Services, policies and strategies for the prevention, assistance and elimination of gender-based violence are accessible, have good quality and leave no one behind.

ARG_D_2.2.1

Strengthening of institutional systems and ecosystems capabilities to offer quality public services.

ARG_D_2.2.2

More civil society organizations, networks and leaders have strengthened capacities to publicly influence violence prevention, assistance and elimination.

ARG_D_3.1

More women equally and meaningfully participate in public life, which allows for the design and implementation of inclusive public and strategies.

ARG_D_3.1.1

Strengthened civil society capabilities to promote women participation in public life and policy design with a gender approach, leaving no one behind

ARG_D_3.1.2

Public and civil society institutions have strengthened capacities to promote sustainable peace, resilience, humanitarian action and environmental protection.

ARG_D_3.2

Promote the UN normative mandate to support for norms and standards and the UN system coordination mandate to improve gender equality and the empowerment of all women and girls.

ARG_D_3.2.1

Strengthened civil society capabilities to position Argentina's gender agenda in multilateral (CSW, CEDAW, Beijing +30) and regional (follow up XV Regional Conference) spaces.

ARG_D_3.2.2

Strengthened UN Women coordination mandate within the United Nations System in Argentina through its contribution to the agenda and the capabilities of the agencies, funds and programmes.
