\$1.80 M

Expenses

IATI IDENTIFIER	OUTCOME RESULT STATEMENT	PLANNED BUDGET	ACTUAL BUDGET AND SHORTFALL	EXPENSES
XM-DAC-41146-GTM_D_1.1	By 2025, the prioritized population will have greater access, under conditions of equality and security, to spaces for political, and civic participation at the national and local levels, promoting urban and rural development from different spaces. (UNSDCF Pillar 3. Strong institutions. Outcome 3.3.)	\$504,128	\$264,722	\$247,108
OUTPUT LEVEL RESULTS				
GTM_D_1.1.1	: Women, Indigenous, Afro-descendant Garífuna and young women, and their organizations, increase their political participation as well as their capacities to influence relevant local and national decision-making processes.	\$371,061	\$169,358	\$125,419
GTM_D_1.1.2	: Gender equality mechanisms are strengthened and public institutions access knowledge products and technical assistance to prevent violence against women in spaces for political and electoral participation, to improve planning with a gender perspective, as well as to monitor investments that are gender-sensitive and with an ethnic marker.	\$133,067	\$95,364	\$121,689
XM-DAC-41146-GTM_D_2.1	By 2025, the Guatemalan State will increase the access of the prioritized population to decent work, productive means, and economic services at the national and local levels, adequate for competitiveness and the climate business, within a framework of inclusive, sustainable, socio-economic development. (UNSDCF Pillar 1. Economic development. Outcome 1.1.)	\$392,200	\$136,556	\$128,395
OUTPUT LEVEL RESULTS				
GTM_D_2.1.1	: Public and private institutions have improved the knowledge to design, implement and monitor policies, strategies, budgets for the generation of economic opportunities in business, entrepreneurship, and employment for women, and for the design and implementation of a	\$367,067	\$136,556	\$128,395

comprehensive care system.

GTM_D_2.1.2	: The most excluded women and rural women have access to technical education opportunities, business strengthening and market linkage services and financial resources for integration into the labor market, the development and growth of their businesses, and to generate conditions of economic resilience to ensure their livelihoods against the adverse effects of climate change.	\$25,133	\$0	\$0
