Based on this document, ECO will conduct a scoping study and a baseline in Alexandria and Damietta as scale up areas in Egypt to collect and analyze data informing programme intervention. Moreover, ECO plans to hold capacity building sessions for local authorities and CSOs to enhance their skills to prevent VAW&G and create safe and economically viable cities for women and girls, as well as conduct awareness raising sessions to women and community groups on the VAW&G services provided by relevant duty bearer organizations. Partnerships include the National Council for Women, Alexandria and Damietta Governorates. Alexandria University, Bibliotheca Alexandrina, and 3 local NGOs.
