SHOWING DATA OF : **2022**

PCO SN Outcome 3.1: Policies and plans are adopted and implemented to enhance the socio-economic empowerment of women (including from marginalized groups and home-based workers) (aligned to SP Output 8)

This outcome has been achieved through engaging relevant stakeholders to facilitate the implementation of Home Based Worker law in KP and Balochistan. For this purpose PCO held consultative meetings with provincial labour & human resources departments to explore avenues of collaboration on technical support and policy interventions that will enhance support to HBWs in achieving their labour rights.
