SHOWING DATA OF : 2022

**National, provincial and district plans, legislations, policies, strategies, budgets and justice mechanisms adopted and implemented to strengthen women’s economic empowerment**

UN Women created enabling environment to promote women market vendors’ participation in the economic and livelihood development by supporting PNG Government’s review of its Informal Economy Sector Policy, PNG Government’s New Normal COVID-19 Policy, training and establishment of Women Markets Vendors Associations, capacity development for market management team, provide life-skills and business management skills training to market vendors, and market infrastructure development. Furthermore, UN Women enhanced duty bearers' knowledge and skills on cross-cutting themes such as violence against women, human rights, women's right to income and access to public spaces. The market managers and provincial government officials were trained on hygiene, sanitation, public leadership and exchange programmes were organised for the leaders. UN Women supported market managers to develop gender sensitive market operational plans and budgets.
