- SDG Indicator :

Regional bodies in ESA hold Member States accountable for implementation of GEWE commitments

In 2023, ESARO made some progress towards this outcome area. With the technical support of UN Women regional bodies developed tools and strategies to hold member states accountable for gender equality commitments. Through UN Women support, under the women, peace and security portfolio four Regional Entities were supported including IGAD, EAC, IPSTC and ICGLR. Under each of these partnerships these regional bodies held dialogues with member states and developed strategies to reach gender equality commitments. UN Women RO continues to support the domestication of United Nations Security Council Resolution 1325 on Women, Peace, and Security in the region, through the development and implementation of National Action Plan. in 2023, 2 WPS frameworks were finalized. Namely, Zimbabwe National Action Plan (2023-2027); IGAD Regional Action Plan on WPS (2023-2030). UN Women ESARO’s support was also provided to the African Union to convene member states on their commitments unde the CEDAW Convention and to prepare a common position for CSW68 The Africa pre-CSW68 consultations, convened jointly by UN Women Regional Office for East and Southern Africa, UN Women WCARO, UN Women Liaison Office, AU-WGYD, UNECA and UNDP Service Centre for Africa, was held in preparation for the 68 th Session of the Commission on the Status of Women (CSW68) on the priority theme: Accelerating the achievement of gender equality and the empowerment of all women and girls by addressing poverty and strengthening institutions and financing with a gender perspective. The main objective of the Africa pre-CSW68 consultations was for the AU Members states,

following national consultations, to contribute substantively to the negotiations towards the CSW68 Agreed Conclusions. The consultations consisted of two segments, the Experts Meeting which was attended by technical experts from Ministries in charge of Gender and Women's Affairs, Civil Society Organizations, Youth Representatives, Regional Economic Communities and UN Agencies, while the Ministerial Meeting was attended by 24 Member States. The outcome of the consultations was the Common Africa Position Document (CAPD), which highlights Africa's CSW68 key messages, priorities and recommendations in line with the Session's priority theme.
