STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2023

**Resilience, positive coping mechanisms and livelihoods opportunities improved for displaced and vulnerable women in camps and host communities**

Through UN Women programming, and UN Women led support including coordination with different stakeholder, empowering civil society organizations, and reaching grassroots level individuals for support, UN Women successfully supported resilience building, through positive coping mechanisms and livelihood support to marginalized women and girls, specifically those internally displaced as well as from host communities.
