## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : **2023**

**Women and men in South Sudan, particularly youth and vulnerable groups, benefit from and participate in more transparent, accountable, and inclusive governance that protects and promotes human rights, enables the consolidation of peace, establishes the rule of law and ensures access to justice for all**

South Sudan's peacebuilding process including permanent constitution-making, elections, judicial reform, legal reform, economic reform, security sector reforms and implementation of transitional justice mechanism continued to create enabling environments for women and girls to be protected. However, most of the implementation was constrained.
