Children, women and men in South Sudan, particularly youth and vulnerable groups, enjoy improved coverage of inclusive, responsive, quality social services and social protection

467 GBV survivors (459 women and 8 men) were referred and assisted with psychosocial support service (PSS) at WECs in Bor and Pariak. In addition, Over 70 women IDPs and host communities received service at renovated Mangala Primary Health Care Centre in a day as compared to the previous 30 people before the renovation. The PHCC is now able to operate at night as well to respond to emergencies.
