## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2023

### **Gender equality and human rights of women, youth, and other marginalized groups including PLWD in Nigeria are enhanced**

During the reporting year, women's rights and gender equality were advanced in specific states. Costed action model plans for implementation of VAPP laws were developed in Adamawa, Cross River, Ebonyi, Sokoto, and Lagos states. The action plans were signed and gazetted for implementation by the governments of Cross River and Adamawa states. Engagements are ongoing to sign and gazette them in Lagos, Ebonyi and Sokoto states. Further, women's rights to gender-responsive and more accountable systems increased. This followed the passage of the Prohibition of Sexual Harassment in Tertiary Institutions Bill by the National Assembly - awaiting assent by the president to become law. State legislators in Kwara and Kaduna adopted the draft GEOB and made commitments to pass it into law. Similarly, the GEOB after numerous efforts, passed second reading during the 9th National Assembly in May 2023.
