By 2024, people in Yemen, especially women, adolescents and girls and those in the most vulnerable and marginalized communities experience more rights-based good governance, comprised of effective people-centred, equitable and inclusive gender and age-responsive improved public services, and rule of law

In 2023, 73 civil society organizations have strengthened knowledge, skills and capacities for peace of women and youth groups and peace actors across the country. Those CSOs were engaged in over 30 dialogue and consultation meetings, and participating in networks of peace practitioners to enhance knowledge sharing and learning. UN Women continued to work in close collaboration with relevant peace stakeholders and partners to implement a multi-pronged approach.
