STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2023

More women and girls in West and Central Africa have equitable access to high quality public goods, services, jobs, and resources that are responsive to their needs.

The RO supported the Senegal National Health Insurance Agency (CMU) to adapt services and delivery mechanisms to the needs of female farmers. As a result, , 1000 rural women have enrolled in the national health insurance, and have access to health insurance for the first time, with coverage extending to their family members (circa 7000 people).
