STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2022

The capacity of governments and stakeholders is strengthened to assess progress in implementation of the Beijing Platform for Action, and other global normative and policy frameworks

Key stakeholders actively participated and collaborated to put in place mechanisms to assess and monitor progress on the implementation of the Beijing Platform for action and other global norms such as the CEDAW, CSW and resolution 1325 in the country. UN Women played a crucial role in providing technical (sharing of key information and facilitating access to it; translation of key messages and documents; support with development of key documentation and ToRs) and financial support and by ensuring engagement of civil society and consultation on key events such as Generation Equality and CSW 66. Government and key stakeholders, especially women's and youth organizations were actively involved in the implementation and monitoring of the Beijing Platform for Action, and other normative such as Resolution 1325, CSW and CEDAW with the contribution of the CO. The CO provided support to government (Ministry of Gender, defense, and Police), in participating in CSW Africa consultation as well as support the translation of the Ministry Speech to participate in the CSW in New York.
