## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : **2022**

### Advancing partnerships & resourcing

UN Women worked on increasing its relevance through fostering strategic partnerships with other actors in the country, offering its gender expertise while ensuring the effectiveness of gender mainstreaming in all sectors. The office developed a communications plan. In terms of communication and knowledge management activities, communication contributed to global agendas through its social media platforms. Support was also provided to the UN Country Team through the UN Communications Group. The communications officers, in collaboration with the program managers, ensured good visibility of donors and UN Women during the implementation of the various projects. The communication officer also covered the 16 days of activism and developed a Knowledge Management Plan as part of The Strategic Note annexes.
