More women play a greater role and are better served by humanitarian response and recovery efforts

OUTCOME DETAILS

SDG alignment

Impact areas

Women, peace and security, humanitarian action and disaster risk reduction

Organizational outputs

UN system coordination

Policy Marker

GENDER EQUALITY

Humanitarian Scope

Yes

UN System Function

Capacity development and technical assistance

Outcome Description

The key interventions are focused around supporting displaced and marginalized women and girls' access to new sources of income and economic opportunities through direct cash assistance, cash for work and skills development. The interventions will be complemented by additional work around supporting justice sector professionals through training, mentoring and twinning to effectively adjudicate violent crimes against women, and support women coming forward to report these crimes. In addition, ECO will build capacities of service providers on gender-responsive service provision targeting the needs of vulnerable women and girls including SGBV response and protection mechanisms, as well as conduct awareness raising sessions to beneficiaries on GBV related services. ECO will also implement multicultural days and promote cultural acceptance through sports and art (sports days, exhibitions, plays, etc.).
