## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : **2022**

### **Women led businesses have increased participation and leadership in the development of climate-resilient agriculture, water, renewable energy and service markets and benefit from equal access to resources and services**

UN Women supported the development and/or expansion of women led business by strengthening their capacities and skills to become active members of the economy. In addition, UN Women developed a business model and promotes their access to the market (gender-responsive financial products and services). About a 100 women accessed to finance facilities, 25 groups supported on cash crops and other agriculture items transormation business like cocoa, coffee, Honey, Nuts, Fish production assets and equipment, and a rehabilitation of women house for refugee, dialogue and self realisation .
