STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : **2022**

Innovative solutions are consolidated and scaled up to strengthen rural women's economic empowerment

Haiti Country Office achieved relevant milestones to offer women innovative solutions and promote rural women's economic empowerment however, it was not possible to advance on this specific activity due to Haiti socio-political, economic and health crisis and generalized violence context. The Country Office will assess priorities and the possibility to move this activity forward on 2023.
