STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2022

Improved coordination, coherence and accountability of the United Nations System in respect of engagements to gender equality and empowerment of women

During the year 2022, actions related to coordination, coherence and empowerment of women are among others: the rotation for a leadership alternation. The capacity building of trainers has been done as well as the strengthening of human resources to support UN system coordination, coherence, and accountability of

the engagement to gender equality and women's empowerment is well underway with the revitalization of the GTG and GDAF. The current progress is the regular holding of meetings with the positioning of UN Women as the permanent secretary of the GDAF Coordination revitalization with the RCO by involving it in all GTG activities
