advancing partnership and resourcing effectively influencing for impact and scale

In 2022, UN Women has strengthened its partnership with more innovation and joint funding. UN Women has initiated partnerships with the private sector (banks), solidarity cooperations (African Solidarity Fund, of which a Memorandum of Understanding has been signed) and a convention is being signed for access to finance for women entrepreneurs. At the local level, UN Women has strengthened its partnership with local authorities for the provision of financing lines for women.
