SHOWING DATA OF : **2022**

Enhanced coordination, coherence and accountability of the UN system for commitments to gender equality and women's empowerment

Coordination and accountability of UN system for commitments to gender equality and women empowerment was enhanced. A Gender Parity Pledge was developed and endorsed by the UNCT as well as a draft guide on Practical and Actionable steps towards achieving and monitoring the Gender Parity Pledge was consolidated under the UN Women's leadership. As the standing chair of the UN Gender Thematic Group, UN Women led the development of the Gender Analysis to influence the Common Country Analysis that is to inform the next United Nations Sustainable Development Cooperation Framework (UNSDCF). UN Women was also pivotal in ensuring that gender was mainstreamed in key UNSDCF processes.
