Increased engagement of diverse partners in support of UN-Women's mandate in Timor-Leste

UNW through Spotlight Project has established and increased a solid and productive engagement with Faith-Based Organization, Particularly the catholic parish church of Gleno. – In 16 days activism campaign 2022, the Catholic Parish church of Gleno and its 11 category groups organized the event in Gleno church. The event supported by UNW-SI and participated by at around 100 members of Gleno church. Some results have been achieved, such as the participants have enhanced knowledge on Prevention RESPECT framework, Prevention Social ecological model, and referral network mechanism (how to address and refer the case comprehensively and systematically). – The church is now keen to include the prevention advocacy works as one of its annual apostolic activities/agendas, with close coordination and support from UNW-Spotlight and SEII.
