## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : **2021**

### **Favorable social norms, attitudes and behaviors are promoted at community and individual levels to prevent VAWG and promote SRHR**

Over 17 million people became more aware of non-tolerance for violence against women and girls, its impact and the law as a result of the socio norms change campaign run on multi-media – TV, Radio and social media by our partners, CDFU (Communication for Development Foundation of Uganda), UGANET and ULS (Uganda Law Society), with funding from UN Women. SASA! Together sessions enabled community members in 10 districts across the country to have enhanced knowledge on power balance and how to relate to VAWG. Through the radio drama series, Rock Point 256 there is improved awareness on male involvement in SRHR (FP), prevention of child marriages, FGM (Female Genital Mutilation) and economic violence. The drama is estimated to reach 59,558 (30,749M: 28,809F) listeners.
