## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2022

### Public and private procurement is gender responsive

The South African government has continued to demonstrate high level political commitment towards national transformation through promoting the principle of local implementation towards transformative change. The government has contributed in the translation of political commitments into practice by putting in place mechanism to operationalise the 40% preferential procurement through the establishment of a Multi stakeholder and sectorial a National Task Team initiative supporting Women Economic Empowerment Programme (WEEP) Initiative in the public sector. A total of 6156 women entrepreneurs in partnership women Empowerment Programme (WEEP) implemented through the National Task Team on preferential procurement, women entrepreneurs in four provinces (Limpopo, Free State, Northwest, and Kwa-Zulu Nata), represented 14 districts have strengthened capacity to start and grow their businesses. In addition, in October 2021 the President launched the Women Economic Assembly (WECONA), E led the launch of the Women Economic Assembly (WECONA), Home - Women Economic Assembly 2023 (wecona.org.za) , a multi stakeholder initiative, an entity co-led by government and private sector women business associations to engage industry leaders to set gender transformation targets and establish game changing interventions that increase procurement from women owned businesses. He again led the second WECONA event in October 2022, to reflect on progress made to achieve gender transformation in their sectors; showcase industry opportunities and success case stories, and further commit to further action towards gender transformation in industry value chain s. The event reached about 2000 participants including women entrepreneurs, government leaders and policy makers, and industry leaders. A total of 10 industry leaders made commitments to implement strategies aimed at promoting preferential procurement for women owned businesses . These initiatives have enabled investment and commitment to women owned businesses and building an ecosystem mechanism to enhance their participation in the economy.
