

## Output 5: Effective normative, programmatic and coordination products, services and processes

Data as of: 28 November 2023

Selected Strategic Plan:

**2022–2025**

Year Selected: **2022**

UN Women efficiently and effectively discharges of all business processes that advance integrated delivery of its mandate at HQ, Regional and Country levels, including through shared services.

## Our result highlights

### Evaluations For Evidence And Lessons Learned

UN Women continues to leverage high-quality evaluations to generate evidence and lessons learned, supporting organizational learning and decision-making. In 2022, 33 joint evaluations represented 29 per cent of total evaluations conducted throughout the year, including two independent system-wide global evaluations and several United Nations Sustainable Development Cooperation Framework evaluations in different regions.
