

Selected Strategic Plan:

2022–2025

Year Selected: **2022**

UN Women efficiently and effectively discharges of all business processes that advance integrated delivery of its mandate at HQ, Regional and Country levels, including through shared services.

Our result highlights

Evaluations For Evidence And Lessons Learned

UN Women continues to leverage high-quality evaluations to generate evidence and lessons learned, supporting organizational learning and decision-making. In 2022, 33 joint evaluations represented 29 per cent of total evaluations conducted throughout the year, including two independent system-wide global evaluations and several United Nations Sustainable Development Cooperation Framework evaluations in different regions.
