## STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : **2023**

**Strengthened and effective inclusive, people centred, gender-responsive, human rights-based policies and national systems contribute to gender equality, the promotion of protection, social protection, social cohesion and peaceful societies, with focus on the most vulnerable populations, including women, youth and minorities**

Under this outcome, UN Women through a set of key interlinked outputs and activities was able to successfully support the advancement of key priorities for women and girls, specifically relating to Gender Based Violence and Women’s Political Participation. This included supporting national women machineries at both the local and federal level to ensure advancements on both fronts. This included supporting female aspirants who are looking to run for elections, as well as consensus building on a political participation work plan for women, while also supporting enhancing pathways for support to women and girls survivors of GBV.
