STRATEGIC NOTE OUTCOME PROGRESS NOTE

SHOWING DATA OF : 2023

People in Iraq participate in and benefit from effective mechanisms – at national, sub-national and community levels – that prevent, mitigate and manage conflict, and contribute to social cohesion and peaceful coexistence, with particular focus on women and youth leadership in decision-making, peace-building and reconciliation processes.

UN Women supported women at the grassroots level in a number of different initiatives and interlinked projects relating to this outcome. The most essential of which was supporting a cadre of aspirants and candidates who are looking to run for elections in 2023. To ensure governmental and national buy in UN Women coordinated with national authorities at the federal level including key parliamentary committees, as well as ministries and departments within the government to ensure alignment on key Women's political participation principles and workplans. UN Women also supported initiatives targeting women at the local level in workshops and capacity building sessions focused on empowerment, social protection and conflict resolution.
