SHOWING DATA OF : **2022**

Women market vendors have the ability to succeed and advance economically

The Markets for Change work in Samoa is delayed as no activities have taken place, except for discussions and negotiations with stakeholders. An outcome of the Project Management Committee (PMC) meeting in October 2022, was the formal agreement to adopt provisions to create inclusive and representative market vendor associations in agreement with the marketplace landlord (ACC), the Ministry of Women, Community and Social Development (MWCSD), Ministry of Agriculture & Fisheries (MAF), and the Samoa Land Corporation (SLC).
